**ANALYSIS:**

Key components of Ordinance 2016-12 include:

- Food Providers are prohibited from providing Prepared Food in Disposable Food Service Ware made of Expanded Polystyrene (EPS).

- All City Facilities, City-managed concessions, City-sponsored or co-sponsored events, City permitted events and all franchisees, contractors, and vendors doing business with the City are prohibited from using Disposable Food Service Ware made of EPS within the City.

- Food provided by School Districts under its official food service program are exempted from the proposed Ordinance.

- Food prepared or packaged outside of the City, provided such food is not altered, packaged or repackaged within the City limits, is exempted.

- The proposed Ordinance would become operative for all Food Providers within six (6) months of the effective date.

At the public hearing and introduction of Ordinance 2016-12 on November 9, 2016, City Council identified and directed that provision 11.27.050 A.3 be removed, as summarized below (in **strikeout** font):

**11.27.050 Exemptions.**

Notwithstanding the requirements contained in Section 11.27.040,

A. The following are exempt from the provisions of this chapter:

1. Food prepared or packaged outside of the City, provided such food is not altered, packaged or repackaged within the City limits.

2. Food provided by School Districts under its official food service program.

3. Food brought by individuals for personal consumption to City Facilities, including but not limited to City parks and the beach, provided the City Facility is being used for individual recreation or similar purposes and such facility use is not part of an Event.
This specific provision has been removed from Ordinance 2016-12, and is reflected in Attachment 1, Exhibit A.

In addition to specific language changes in response to City Council direction, Staff was further directed to work with the Surfing Madonna Oceans Project to develop an EPS reimbursement incentive program.

ENVIRONMENTAL CONSIDERATIONS:

The proposed action is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15308 of the CEQA Guidelines, which exempts actions by regulatory agencies for the protection of the environment.
